GOD'S FINGER TOUCHED HIM AND HE SLEPT

REV. WILLIAM SHELTON PASSES OVER THE RIVER AT TWELVE LIGHT WEDNESDAY EVENING.

God's finger touched him and he slept.

At the twilight hour of the close of a glorious winter day, peacefully and painlessly, the soul of Dr. William Shelton left its mortal abiding place on Wednesday, the 21st, and was welcomed to the songs of the redeemed and the angels to that land which is fairer than day.

No more beautiful death can be hoped for than that by which this great, good man of God crossed over the dark river to receive the crown which has awaited him so long, and which those who know him and the life that he led, know has been adorned by the Son of God himself with the brightest jewels of His kingdom.

Just ten days after he had been stricken with the apoplectic stroke, he lingered. His splendid physique and tremendous vitality—remarkable indeed for a man of 56 years—for a time led his loved ones to hope that he might overcome the fearful attack. But tired nature was unable to respond and he sank gradually and quietly into the end.

Probably no man who has died in Stanford was more universally respected and beloved than Dr. Shelton. For fifteen years he had made his home in this community, coming here at that time to take the presidency of the old Stanford Female College. For five years he held that position and then he retired to the well earned rest to which his years of labor entitled him. Since then he had made his home with his daughter, and her husband, Mr. and Mrs. J. C. McClary.

At the age of 17 Dr. Shelton professed his Lord, and few have more faithfully served Him or given more of their lives devotion and labor. He worked in the ministry in earlier life, and when engaged in educational pursuits afterwards, was anxious to take what part he could in the pulpit. His place in the congregation at the Baptist church was always filled, save when the weight of advancing years and inclemency of the weather forbade his presence, at worship.

Possessed of a genial, kindly nature, Dr. Shelton can truly be said to have loved his fellow man, and the sorrow and sympathy manifested in the community when he was stricken, and then taken testifies to the universal love and esteem in which he was held.

Brief services were held over the remains at the home of his daughter Thursday afternoon by Rev. J. H. Jones, and then the body was laid to rest in the family lot in Buffalo cemetery.

The pall-bearers were: Active—J. D. Eads, J. N. McNeese, Sr., Garland Shugart, J. C. Florence, Rowan Saulley, and W. H. Wesen. Honorary—G. R. Cooper, J. B. Euston, S. H. Haysman, T. D. Newland, Dr. C. Fowler, H. H. Shanks and A. C. Carman.

Short Sketch of His Life.
Dr. William Shelton was in his day one of the foremost ministers of the Baptist church in the South and one of its most prominent educators. He was at the head at different times of several leading educational institutions, and as a pastor and preacher and leader in his denomination was recognized as a man of power and a man of God.

Dr. Shelton was born in Smith county, Tennessee, near Lebanon, July 4, 1854, making him 56 years of age at the time of his death. He was one of a large family, the only other survivor being his sister, Mrs. Martha Hinkle, of Kansas City, Mo. Dr. Shelton graduated from the University at Nashville, and studied theology at Hamilton University, New York. He was successively pastor of the Baptist church at Clarksville, Tenn., professor of Greek and Latin at the University of Murfreesboro, Tenn., president of Brownsville female college, Tenn., and pastor of the Baptist church there; president of West Tennessee College at Jackson, Tenn.; president of the University of Nashville; president of Ewing college, Ewing, Ill.; president of Los Angeles University at Los Angeles, California; president of Sweetwater Female College, Sweetwater, Tenn., and president of Stanford Female College here. He retired from active duty a number of years ago and has since made his home in this city with his daughter, Mrs. J. C. McClary.

Dr. Shelton was married twice, his first wife being Miss Virginia Campbell, niece and adopted daughter of Gov. David Campbell, of Virginia and sister of Gov. William Campbell of Tennessee. To this union were born eight children, two surviving Mrs. J. C. McClary, of this city and Henry C. Shelton, of Seattle, Washington. He is survived by ten grandchildren among them being Dr. W. A. Shelton, a leading surgeon, of Kansas City, Miss Virginia Richeson, of Freeport, Ill., Miss Mary Richeson, of Gooding, Idaho, Richard Richeson, of Canada, Robert C. Sautley, of Parker, Arizona and Shelton M. Sautley, editor of the Interior Journal, of this city, and Margaret Milton, William and Elsie Shelton, of Seattle. He also leaves three great grandchildren.

After the death of his first wife in 1897, Dr. Shelton was married to Mrs. Carrie W. Bass, of West Nashville, Tenn., who died in 1902, leaving no issue.

The degrees of LL. D., Ph. D., and D. D. were conferred upon the deceased in early life by institutions in recognition of his signal ability and acknowledged leadership in the ministry and educational field.

Mr. Walter Broyles of Pine Knot, Ky., bought the Dr. James Wesley farm last week and is to get possession of it by January 1st 1911.

Congratulations from his many friends in this vicinity is hereby extended to our former neighbors and his better half, Mr. and Mrs. Jesse Alverson.

The colonial veranda just completed at the home of Mr. and Mrs. J. J. Allen on Main street has added greatly to the beauty of their handsome home.

Mr. and Mrs. F. G. Mansfield of Lexington spent a few days with friends in our city last week.

Born to the wife of Mr. J. D. Depp on the Lexington line 10-pound boy.

Mr. Allen Stevenson who bought the splendid 20 acre farm of Y. W. Huston last week at \$150 per acre, will get possession 1st Jan. next. Mr. Stevenson will build a modern cottage home with up-to-date conveniences and most attractive design near the pike, and just opposite the John D. Carpenter home. Work on same will begin at once.

A large crowd attended the sale of Dr. James Wesley last week. The spirited bidding brought out the day evidenced the presence of many anxious buyers. Dr. Wesley and family will move to Liberty where he is well and favorably known and where he had a large practice.

The "Volunteer Class" in the Christian home in Louisville as a thank church Sunday school sent this week three dollars to the widow and Christmas gift for those unfortunate inmates who should have the prayers of every Christian in our beloved state.

I think old Santa can get his sleigh ready from the signs in the air at this writing.

Some of our farmers are through stripping tobacco but are low spirited on account of the low sales and low prices.

Since our last report some changes have been made among the citizens of our community. Messrs Craig Baugh and J. Wash Cook with their families have gone to Detroit Mich. John Reed who has been in Oklahoma for the past year, has with his family returned to "old Kentucky."

Mrs. Sarah Austin has moved into the Wash Cook property and Jim Reed has moved to the Craig Baugh place.

Green Young has moved into his new house taught by Mr. Cyrus Johnson of King's Mountain will close Friday A. M., with an entertainment to which all the patrons are invited to attend. Mr. Moriah school taught by Miss Fannie Hatfield, will close Friday P. M., with an entertainment and Xmas tree, at the Christian church.

J. H. Young of Union College Barbourville is at home for the holidays. Mr. Sam Bastin who has been quite sick is improving.

Leslie Hatfield is sick at this writing. Our community was shocked last week on hearing of the death of Mrs. Sallie Speake and Jarred Berry. The first left a husband and three small children to mourn her loss and lost a wife and eight children to mourn his loss.

Mr. Alex Pierce, of near Greenville, Tenn., spent two weeks with his nephew, Squire D. R. Adams. T. D. Williams and family have just returned from a visit to relatives at Bababanks.

Mrs. Margaret Young is visiting her daughter at Burnside.

Walter Baugh and Will Adams have gone to Somerset in search of employment.

DOING A GOOD WORK

Rev. J. H. Pence, pastor of the M. E. church of Miner, Ill., and two sons are visiting friends and relatives here during the holidays. He has very recently distributed clothing among the poor and destitute families here and in the country. At least forty different families have been assisted by the generosity of Mr. Pence. In many instances children have been clothed from head to foot. For the past four years he has been assisting these families by sending them clothing and in some instances food. May the Lord prosper the work of him who is willing to care for and assist others.

J. W. Greer, Greenwood, La., suffered with a severe case of lumbago "The pains were so intense I was forced to typhoidemic injections for relief. These attacks started with a pain in the small of the back which gradually became fairly paralyzing. Splendid Prices

FOR TOBACCO AT SALES IN DANVILLE WEDNESDAY.

Tobacco is going up with a jump as a result of the starting of another pool at Lexington. At the Peoples' Tobacco Warehouse in Danville on Wednesday as high as 20 cents a pound was obtained for several baskets of the weed owned by T. A. Rinegarson, of Powers, Casey county, this crop averaged \$14.75 in all, which is a splendid average. Some other good averages in the 65,000 pounds sold during the day were as follows:

J. C. Robinson, of Allicton, Boyle county 12 1/2 cents. Jason Meadows, 12 1/2 cents. Louis Tucker, of Middleburg, Casey county, 11 1/2 cents. Jesse Overstreet, 15 cents. John Lynn, of Hustonville made a good sale, the best price he got, however was 16 cents.

William Ballard has moved into Mrs. Clarks property lately vacated by Mr. Cooper.

TO PUT TOBACCO AT LIVING PRICE

NEW POOL MOVEMENT IS STARTED IN BURLEY COUNTIES WITH ENTHUSIASM

Clarence K. Tate returned from Lexington Wednesday, where he attended the meeting of tobacco growers and took prominent part in the work of organizing another pool for next year. Both independents and former poolers joined in the movement, and it promises to sweep the Burley district by storm. Men who have hitherto fought the pool, but have seen the effect of its failure in the lowering of tobacco prices have joined in the movement and it is believed that the organization of the new pool for 1911 means a great thing for the tobacco grower. Prices at the Lexington breaks this week jumped two cents a pound when it learned that the new pool seemed to be a certain go, and it is expected that the market for tobacco will immediately become very active again.

The tobacco growers at the meeting in Lexington were not empowered to take any formal action, as they did not come as delegated representatives from their counties. They adopted a plan of action, however, which was endorsed by all present. At a meeting of the growers of various Burley county seats on Saturday December 11 delegates will be appointed to another meeting to be held in Lexington January 5, 1911, when the pooling movement will formally launched. The report of the committee appointed at Lexington this week to draft a plan, was as follows:

"Your committee appointed to devise ways and means of pooling the White Burley tobacco in such counties in Kentucky, Ohio, Indiana, Missouri and West Virginia as can and do raise White Burley tobacco, respectfully report as follows:

"First that we recommend the pooling of the 1911 crop, and in the same contract out our 1912 crop; that all counties in the Burley district are requested to send delegates to Lexington on the 5th day of January, 1911, to devise ways and means to bring about this end.

"For the purpose of strengthening the 1911 pool we also recommend to the addition of the 1911 pool any other unsold tobacco on hand.

"Second—We favor county organization and home rule.

"Third—We favor a reasonable per cent. contract.

"Fourth we favor a separate organization and recommend co-operation with similar tobacco organizations.

"Fifth—We recommend that June W. Gayle, Judge, B. F. Hill and M. H. Forman be appointed a committee to take up the question of organization and confer with other similar organizations and report at the meeting on January 5th, 1911.

"B. F. Hill, Chairman, Henry county.

"H. M. Bosworth, Fayette.

"C. E. Tate, Lincoln.

"P. Q. Minor, Owen.

"H. M. Forman, Carroll.

"Ed Gill, Mercer.

"June W. Gayle, Owen.

"James H. Polsgrove, Franklin.

That Lincoln county will be solidly in line behind the movement for the new pool seems evident from the tone of expressions heard from various tobacco growers on the streets this week when news of the movement reached here. It is confidently believed that the strongest pool of tobacco ever perfected will result from this movement, and the price of the weed be forced to a figure that will give a grower a fair return for his labor. Mr. Tate who represented Lincoln in this week, urges every farmer in Lincoln not to forget to attend the mass meeting of Lincoln county growers which will be held here on Saturday, Dec. 31.

Good News For Growers.

KINCAID RECEIVES WORD TO BEGIN BUYING TOBACCO AGAIN

Here's good news for the tobacco growers of Lincoln county who have been unable to sell their tobacco and many of whom have been wondering where their Christmas money was coming from. W. P. Kincaid, local buyer for the Louisville Tobacco Warehouse Company, announced to the L. J. on Wednesday that he will begin buying at his warehouse here immediately after Christmas. He has received orders from his house to start in shipping in tobacco to them the first of the year, and trucks and hogsheds have been shipped him to handle a large amount of the weed.

Good prices are expected to prevail again for this crop since the new pooling movement was started at Lexington this week with such enthusiasm both by the old poolers and the independents.

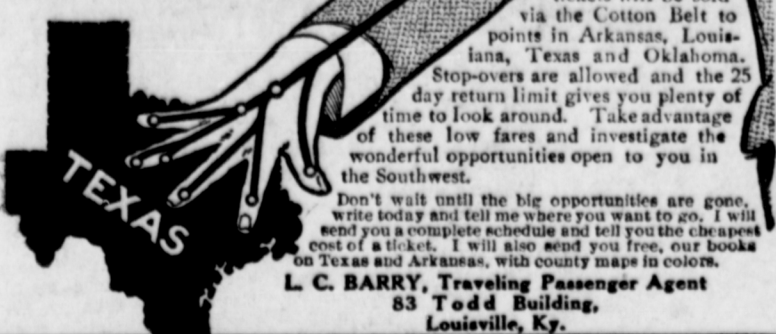

A SIMPLE SAFE GUARD FOR MOTHERS

Mrs. D. Gihson, 326 Ingles Ave., Youngstown, Ohio, gained wisdom by experience. "My little girl had a severe cold and coughed almost continuously. My sister recommended Foley's Honey and Tar. The first dose I gave her relieved the inflammation in her throat and after using only one bottle her throat and lungs were entirely free from inflammation. Since then I always keep a bottle of Foley's Honey and Tar in the house. Accept no substitutes. Sold by Shugart and Tanner."

FREE SAMPLE CURED OLD PERSON'S BOWEL TROUBLE

One of the most remarkable proofs of the unusual laxative merit contained in Dr. Caldwell's Syrup Pepsin is that it is effective not only in people in the prime of life, but at the extremes of ages. As many letters are received from mothers regarding the cures of children, as from men and women of sixty, seventy and eighty years of age. It must be truly a wonderful laxative.

In the cure of constipation and bowel trouble in old people it has no equal. It corrects the constipation, dispels the headache, biliousness, gas, drowsiness after eating, etc. People advancing in years need to see to it that their bowels move freely, and if they do not take Dr. Caldwell's Syrup Pepsin. You can prolong your life by healthy bowel action. Cleared bowels invite disease. Women about to pass the menstrual period cannot do better than use Syrup Pepsin several

times a week until the system has settled to its future condition.

Among the strongest supporters of Dr. Caldwell's Syrup Pepsin are Mr. W. G. Zorn of New Decatur, Ala. and Mr. George S. Spaulding of the National Soldiers' Home, Kansas, both elderly men. The regular size bottles can be bought of any druggist at fifty cents and one dollar, but a free sample bottle can be had by sending your address to the doctor.

Dr. Caldwell does not feel like the purchase of his remedy ends his obligation. He has specialized in stomach, liver and bowel diseases for over forty years and will be pleased to give the druggist any advice on the subject free of charge. All are welcome to write him. Whether for the medical advice or the free sample address him Dr. W. B. Caldwell, 402 Caldwell building, Monticello, Ill.

Backache

Is only one of many symptoms which some women endure through weakness or displacement of the womanly organs. Mrs. Lizzie White of Memphis, Tenn., wrote Dr. R. V. Pierce, as follows:

"At times I was hardly able to be on my feet. I believe I had every pain and ache a woman could have. Had a very bad case. Internal organs were very much diseased and my back was very weak. I suffered a great deal with nervous headaches, in fact, I suffered all over. This was my condition when I wrote to you for advice. After taking your 'Favorite Prescription' for about three months can say that my health was never better."

Dr. Pierce's Favorite Prescription

Is a positive cure for weakness and disease of the feminine organism. It allays inflammation, heals ulceration and soothes pain. Tones and builds up the nerves. Do not permit a dishonest dealer to substitute for this medicine which has a record of 40 years of cures. "No, thank you, I want what I ask for."

Danville police officers raided the blind tigers there this week and arrested nine offenders. Why not have a raid or two in Stanford, just for the fun of the thing? Gallons upon gallons of whisky are shipped into the city daily and the owners call for it in broad day light. It stands to reason that the men who are receiving this booze are not drinking all of it, and the fact that they receive it day by day looks a trifle suspicious, to say the least. Chief Logan Wood, of Danville seems to have no trouble locating the offenders over there. Wouldn't it be a good idea to confer with him as to the plan he employs and which is so successful, and which might prove just as efficacious here? What's the use of having a local option law unless it is enforced?

President Taft withdrew from the senate the nomination of James N. Sharp to be United States Attorney for the eastern district of Kentucky. There is a tip that Ed Morrow, of Somerset, may land this nice job and the appointment would be a good one.

Judging from the few speeches he has made in his candidacy for the Democratic nomination for Governor, it looks like Mr. Ben Johnson is emulating the campaign methods of one N. B. Hays, who ran for the same nomination in 1906.—State Journal.

Remember that when your kidneys are affected, your life is in danger. M. Mayer, Rochester, N. Y., says: "My trouble started with a sharp shooting pain over my back which grew worse daily. I felt sluggish and tired my kidney action was irregular and infrequent. I started using Foley's Kidney Pills. Preachersville.

Rev. Pierce Bryant will preach his last sermon at the Baptist church on Christmas morning. He has expressed a desire to resign his pastorate here. He has been a model pastor and the brethren will regret to lose him.

As Mrs. John Bell and sister, Miss Zula Naylor, were on their way to the home of the former, near Goshen, one day last week, they captured an opossum. It was crossing the highway and the ladies thought it would make a cunning pet and gave chase. A light tap on the cranium of the "possum" to stun him was more than he could stand and keeling over didn't have to play dead! It is a well-known fact that one of the marvellous quadrupeds may have every bone in them broken and then recover and get away.

Mr. and Mrs. W. P. White are, with J. M. Cress and wife. They have abandoned the idea of going to Arizona. Mr. and Mrs. James L. Anderson and little daughter, Miss Victoria are at Honaker, Va., as guests of Rev. T. H. Thornton and family. Mrs. Timothy Naylor is much better.

We Cordially Invite You To Sell Your Tobacco With Us.

As usual, we topped the market Monday at \$17.

We sold over 200,000 pounds last week with a better average than Lexington and the best average of any house in Danville.

The best lighted house in Kentucky and an experienced Auctioneer always tells the story.
